SUBJECT : Progress Report, 25X1

1. The mid-course evaluations of students were accomplished by the during the period 11 to 13 October. A separate report regarding the status and progress of the Career Trainees participating in the course has been forwarded to your office for the attention of 25X1

2. In the way of general data, I desire to point out that this group is mature and has exercised excellent decorum up to this point; further, the class is exceptionally compatible and has established a fine esprit de corps. Insofar as individual and collective efforts are concerned, the trainees are methodical and pose pertinent questions. The staff has identified several strong performers in the group who have instructor potentialities. Specific comments pinpointing these cases were submitted in the separate CT report. Although several students have received Adequate letter ratings in a few subjects, no one trainee is having any particular difficulty. We are happy to report that the class is progressing in good stride.
